

## Level 2 Floral Design Certification Class for Teachers

Level 2 Floral Design Certification Instructions are approved and the Texas State Florists' Association has the first class ready for all teachers. Your students requirements for Level 2 Certification include being able to successfully complete and pass a corsage and two of three arrangements offered. The three arrangements are Vase, Asymmetrical and Silk. You will design each of the three arrangements in class. You may keep the silk arrangement to use as an example throughout the school year. This will be a one day class and will prepare you to each your students for Level 2 Certification.
