

Level Two Certification Rules and Instructions

- No talking while testing. Keep your eyes on your own work. Questions should be directed to the monitor.
- You must provide your own tools (knife, wire cutters) with you. Rulers are **NOT** allowed.
- If you finish before the allotted time has passed, quickly clean your work space and pack your belongings. Leave your designs along with this exam grade sheet on the design table.
- If you are not finished within 90 minutes, **STOP** work immediately when the monitor announces time is up. You will be graded based on your completed work.
- You will be allowed to retake any portion of the test that doesn't pass at the next scheduled testing date.
- **You are encouraged to take pictures of your designs before you turn them into the officials.**
